Heard.

The challenge in this writ petition is to the order dated 19/12/2002 whereby the petitioner who is working as a Drug Inspector, has been transferred from Raigarh to Ambikapur.

It is stated that the representation (Annexure P/6) has been filed against the order of transfer pointing out the difficulties that the petitioner is not able to move out due to ailment of his daughter who is suffering from Thyroid disease. As the representation has not been considered, the petitioner has approached this court for relief.

Since the representation has been filed by the petitioner which is still pending, it would be appropriate for the Government to consider it on own its merits. Accordingly, this writ petition is disposed of by directing the respondent no.2 to consider and dispose of the petitioner's representation on its own merits within a period of six weeks from the date of communication/receipt of this
